	<u>Pages</u>
Content: Addendum Cover Page	1
Architect's Addendum No. 1	4
<hr/>	
Total Pages:	5

Note: This Addendum shall be included as part of the Contract Documents. Items in this Addendum apply to all drawings and specification sections whether referenced or not involving the portion of the work added, deleted, modified, or otherwise addressed in the Addendum. Acknowledge receipt of this Addendum in the space provided on the Bid Form. Failure to do so may subject the Bidder to Disqualification.

- 1.1 Schedule Changes:** There are no project schedule changes within the addendum.
- 1.2 General Items:** Architect's Addendum No. 1. Questions submitted in U3P have been addressed.

7/8/20

Project:
UDOT Salt Building Repairs – Cottonwood & West Jordan

Addendum #01

The data included herein is issued by the Architect as a clarification and addition to drawings, specifications, and contract documents relative to the above project. Except as effected by data herein, all other parts of the Contract Documents shall remain in full force and effect as issued by the Owner. It shall be the sole responsibility of the bidder to appropriately disseminate this data to all concerned prior to the assigned bid date and time. **Receipt of the addendum shall be recorded by the bidder in the appropriate space on the proposal form included in the Contract Documents.**

"Our Success Is Measured By The Level Of Our Client's Success".

I. GENERAL

Item 1 – Prequalification

- Q: The solicitation states “Only firms pre-qualified during Stage 1 of the RFS are allowed to bid on this project.” Does this mean the Open-Ended Multi-Step Pre-Qualified Contractor List?
- A: Yes, that is correct.

II. ARCHITECTURAL

Item 1: Interior Sheathing

- Q: On the plans it calls for Exterior Sheathing to line the interior walls of the buildings in Base Bid. Can you give some more clarification and specifics on which sheathing, as there are many that fall in the category of "Exterior Sheathing"?
- A: See Spec Section "061600 Sheathing" for sheathing options and other related requirements. Also reference the "Alternate Spec" as well as the notes in the drawings that describe the alternate.

Item 2: Roofing Warranties

- Q: Are the DFCM Roofing Warranties required for this project? If so, will you include warranty forms in the bid documents?
- A: In addition to the required warranties in the "074113 Formed Metal Roof Panels" specifications, also provide the DFCM's 5-year "Contractor Roofing Warranty". Also provide the "DFCM Roofing History Record" for steep slope Roofing. A link to both forms is provided below.
